

PUBLISHING AGREEMENT

We the undersigned declare that the Manuscript entitled “OPTIONS TO IMPROVE THE COAGULATION PROCESS OPERATION IN A DRINKING WATER TREATMENT PLANT. CASE STUDY” is original, has not been published before and is not currently being considered for publication elsewhere.

We confirm that there are no known conflicts of interest associated with this publication and there has been no significant financial support for this work that could have influenced its outcome.

We confirm that the Manuscript has been read and approved by all named authors, that the order of authors has been approved by all of us and that there are not other persons who satisfied the criteria for authorship but are not listed.

We confirm that we have given due consideration to the protection of intellectual property associated with this work and that there are no impediments to publication.

We understand that the Corresponding Author is the sole contact for the Editorial process and that we have provided a current, correct email address.

Signed by all authors:
